

ISSF-ISHA 2025

14th International Symposium on Supercritical Fluids
9th International Solvothermal and Hydrothermal Association Conference

Convergence Technology of the Green Future

Date June 15-20, 2025

Venue Anvaya Beach Resort, Bali, Indonesia

Website To be made

Organized by

Important dates

Abstract Due	December 1, 2024
Preliminary Scientific Program	January 1, 2025
Early Bird Registration	January 15, 2025
Hotel Registration Due	March 1, 2025
Conference begins	June 15, 2025

Category	Early Bird	Regular
Regular Participants*	USD 700	USD 850
Students*	USD 300	USD 400
Companion(s)**	USD 100	USD 120
Gala Dinner	USD 110	USD 130
Field Trip1***	USD 60	USD 70
Field Trip2***	USD 110	USD 130

Registration will only be available in advance, and on-site registration will not be accepted

*Welcome Ceremony, 4-days conference, Lunch, and Coffee Breaks are included

**Welcome Ceremony, 4-day Lunch, and Coffee Breaks are included

***Reservations will be made on a first-come-first-served basis

Themes

- 1 Thermodynamics and Fluid Phase Equilibria
- 2 Polymers/Materials Applications and Processes
- 3 Pharmaceutical & Biomedical Applications
- 4 Natural Products and Food-related Materials
- 5 Reactions in Critical Fluids
- 6 Separation Processes
- 7 Hydrothermal/Solvothermal Synthesis
- 8 Process Intensification/Scale-up
- 9 Sustainable Feedstock Utilization and CO₂ Conversion
- 10 Novel Materials / Particle Formation / Nanotechnology
- 11 Green Chemistry and Engineering

Conference Committee

Organizing Committee

Jaehoon Kim

Sungkyunkwan University, South Korea

Chie-Shaan Su

National Taipei University of Technology, Taiwan

Zhimin Liu

Chinese Academy of Sciences, China

Armando T. Quitan

Kumamoto University, Japan

Advisory Board Committee

Youn-Woo Lee

Seoul National University, South Korea

Yan-Ping Chen

National Taiwan University, Taiwan

Buxing Han

Chinese Academy of Sciences, China

Tadafumi Adschiri

Tohoku University, Japan

Motonobu Goto

Nagoya University, Japan

Local Conference Organizing Committee

Hong-Shik Lee

Korea Institute of Industrial Technology, South Korea

Akira Yoko

Tohoku University, Japan

Agung Nugroho

Universitas Pertamina, Indonesia

Siti Machmudah

Institut Teknologi Sepuluh Nopember, Indonesia

Ardila Hayu Tiwikrama

National Taipei University of Technology, Taiwan

Tae Jun Yoon

Seoul National University, South Korea

Ratna Frida Susanti

Parahyangan Catholic University, Indonesia

Bambang Veriansyah

PT Ferron Par Pharmaceuticals, Indonesia

Wahyu Diono

Tohoku University, Japan

Symposium Venue Hotel

Hotel Anvaya

- Special rate : US\$105/night
- Normal rate: US\$150/night

*Limited rooms are available for special discount rate

*Reservations will be made on a first-come-first-served basis

*Breakfast, minibar, and swimming pool are included

*Webpage will be opened for hotel room reservation at Jan 2025

Gala Dinner

Locca Sea House

<https://locca.co/>

Hotels near the Venue

Bintang Bali Resort

- Rate: US\$80/night
- Distance to Venue: 10 min 

The Vira Bali Boutique Hotel & Suite

- Rate: US\$70/night
- Distance to Venue: 5 min 

Favehotel - Kartika Plaza Kuta

- Rate: US\$40/night
- Distance to Venue: 5 min 

Bintang Kuta Hotel

- Rate: US\$40/night
- Distance to Venue: 2 min 

Tentative Program

June 15 (Sun, Day 1)

15:00-17:00 Registration
17:00-21:00 Welcome Reception
(Cocktail Party at Beach)

June 16 (Mon, Day 2)

08:30-09:00 Opening Ceremony
09:00-12:00 Presentations
12:00-13:30 Technical Luncheon
13:30-18:00 Presentations

June 17 (Tue, Day 3)

08:30-12:00 Presentations
12:00-13:30 Technical Luncheon
13:30-18:00 Presentations

June 18 (Wed, Day 4)

08:30-12:00 Presentations
12:00-13:30 Technical Luncheon
13:30-17:00 Presentations
17:00 Gala Dinner

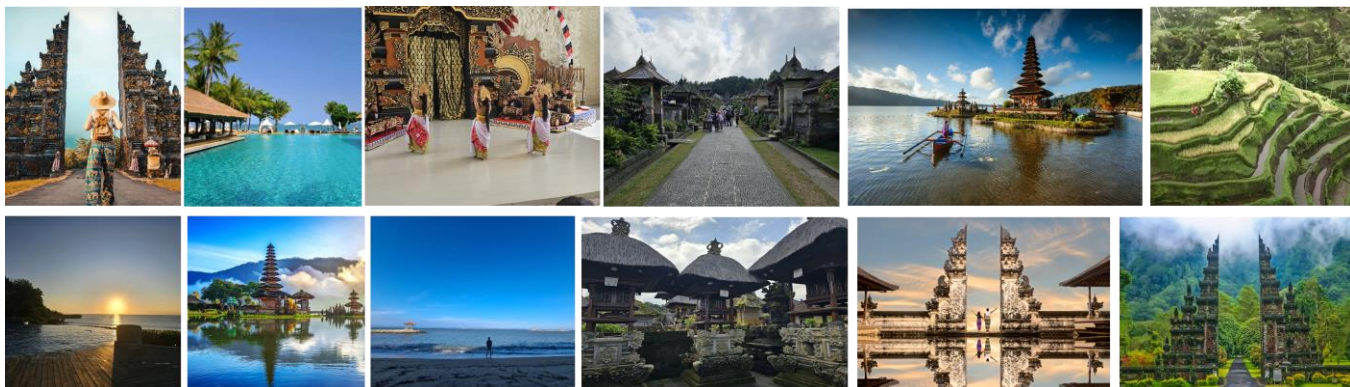

June 19 (Thu, Day 5)

08:30-12:00 Presentations
12:00-12:30 Closing Ceremony
12:30-13:30 Lunch
13:00-18:00 Field trip1

June 20 (Fri, Day 6)

08:30-09:30 Committee meeting
09:30-20:00 Field trip2

See you in Bali~
